RETAIN

THIS IS TO CERTIFY that the Engine No. B49 made by Messrs. Belliss & Morcom, and Boiler No. 1047 made by Messrs. Bow, McLachlan & Co., have been surveyed by the Surveyors to this Society during construction and installation on board the S.S. "WILLIAM HUMPHRIES", built by Messrs. The John Duthy Torry S.B.Co., Aberdeen, and that the material and workmanship are good and in accordance with the requirements of the British Corporation Registry.

The whole of the work covered by the specification has been satisfactorily completed and the machinery successfully tested under steam.
