e Surveyors,
Messrs. Lloyds Register of Shipping,
LIVERPOOL.

ear Sirs,

Tug No. 338.

We herewith beg to submit for your consideration and approval e following equipment.

1st Bower, 4½ cwts. Stockless Anchor.
2nd " 4½ " " "
60 fathoms 13/16" diameter Stud Link Cable Chain.
60 " 5" Hawser
60 " 3" Warps.

Equipment numeral LX (B+D) = 2367.31

We take it the above is the mimimum you could allow for this raft. The Tug never leaves the Manchester Ship Canal.

Yours faithfully,

W. J. YARWOOD & SONS LTD.
