(In cases which have to be submitted to the Claiming Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Claiming Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Damage No. 2 SURVEY PARTLY HELD.

due

10.97

When proposed to be completed

on of Survey held, &c.

It is submitted the Newfoundland Surveyor be informed that the Spruich Surveyor reported in March last that this vessel was alleged to have sustained damage to the cargo, through leakage in the deck and from some side ports, and a flange of a W.C. The vessel however left his port without repairs. That the Owners stated they believed that the damage had been repaired.

He should therefore be requested to ascertain by examination of the vessel, whether the damage alluded to has been repaired and report to the Committee in the usual way.

BS Due 7.9.98 to be done at WFL.

He should also be advised of the owners intention regarding the Boiler Survey.
