Letter Owners 12/2/94

20th November, 1893.

Dear Sir,

I am duly in receipt of your letter of the 16th instant respecting the survey required under the Rules of this Society to be held on the steamerdredger "MANCHESTER".

In reply I have to acquaint you that your proposal to arrange for the survey in Manchester in January next is satisfactor and that if you will kindly advise me when the vessel is ready, the Committee will appoint a Surveyor to hold the survey.

The Committee are obliged to you for your suggestion as to an Office for this Society in Manchester, but they think the time has hardly come for making any arrangements in this matter, as they cannot yet form an opinion as to the Society's future Office requirements.

I am, Dear Sir,

Yours faithfully,

Secretary.

Marshall Stevens Esq.,
Manager,
Manchester Ship Canal Co.,

MANCHESTER.
