cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

No. ~~SURVEY PARTLY HELD.~~

When proposed to be completed

by held, &c.

Vessel left Harwich 12 March for Norfolk V.  
Arrived at Dunkirk 26 April.

It is submitted the Ipswich Surveyor be informed that no  
of repairs of this vessel has yet been received at this Office.  
It should be pointed out to him that he was requested in the letter  
dated to him on the 16th. March to advise the Secretary immediately  
to what port the Vessel would proceed, and <sup>his</sup> having omitted to do  
so has caused inconvenience.

The case should be referred to the Glasgow Surveyors and they  
be requested to ascertain, whether the damage in question has  
been repaired and when and at what port it will be convenient for the  
vessel to be inspected by one of the Society's Surveyors.
