

# COPY.

8th March, 1898.

With reference to the copy of damage report dated the  
1st, forwarded by you on the steamer "STRATHLEVEN", I have to  
ask you will be good enough to state whether the necessary  
repairs to this vessel are to be effected at your port and if not  
what repairs are to be done.

If the vessel is to be repaired at Ipswich you should  
send me in due course a report on a Repair Report form for  
the consideration of the Committee on completion of the repairs.

I am, Sir,

Your obedient Servant,

Secretary.

Robertson,

IPSWICH.
