Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

24th August, 1933.

Dear Sirs,

S. I duly received your letter of the 14th instant, intimating that you have withdrawn your steam trawler "DAVID OGILVIE" from the Society's classification and transferred her to the British Corporation.

The General Committee have had the case under consideration at their meeting to-day, and in view of the fact that the repairs which were recommended by the Society's Surveyor at Milford Haven, when the vessel's boiler was surveyed by him in May last, have not been carried out under his inspection, the Committee regret that they could only deal with the matter in accordance with the provisions of the Society's Rules in such cases. They have accordingly given instructions for the vessel's class to be expunged from the Register Book with a red line, indicating non-compliance with the Society's Rules.

I am, Dear Sirs,

Yours faithfully,

Messrs. Jenkerson & Jones,
Billingsgate,
MILFORD HAVEN.

Secretary.
