OWNERS: Messageries Maritimes

In October last the Owners stated that they did not wish to maintain the classification of these three vessels in the Society's Register Book, and in the circumstances the Classing Committee, who had the cases before them on Tuesday, 2nd instant, decided to give instructions for the classes to be withdrawn from the Register Book and three dots (...) inserted in lieu, in each instance, indicating withdrawal of class at Owners' request.

4th November, 1920.
