21st March 1899.

Sir,

With reference to my letters of the 8th and 17th instant, respecting the case of the steamer "STRATHLEVEN", I have to acquaint you that a report has now been received from the Society's Surveyor at Marseilles, from which it appears that the Special Survey No.2 has been further advanced by the examination of Nos.2 & 3 holds. The ceiling in No.3 hold was found to be defective in places, and the wood bulkhead of the officers' quarters found temporarily repaired, having been damaged through heavy weather.

It is proposed to effect the necessary repairs while the Special Survey No.2 is being completed at your port.

I am, Sir,

Your obedient Servant,

Secretary.

F. Schiaffino, Esq.,

GENOA.
