

13th November 1879

Gentlemen.

I have to acquaint you that I am in receipt of a letter from the Society's Surveyors at Glasgow in which they state that the steamer 'Strathleven' is bound to the Tyne from Bremen and that on her arrival the annual survey of the boilers and the limitation survey of the fifth length of tunnel shafting will be carried out.

I shall, therefore, be glad for the case to receive attention.

I am, Gentlemen,

Yours obedient servant

W. H. P. [Signature]
Secretary.

The Surveyors,

Newcastle-on-Tyne
