

10th June 1881.

Gentlemen,

With reference to the recommendation contained in Mr Stevens's Report No: 220 as to the further survey of the machinery of the steamer "Lizzie K. Hane," I have to inquire whether he considers a general inspection of this vessel's engines and steam all that is required or if there are any points requiring special attention.

I am, Gentlemen,
Your obedient servant,

B. W. Wynn
Secretary

Surveyors
Hull

For Mr. S. T. T.
