s.s.No.3-6,90

s.s.No.2 - 98

4 months' limit on main boiler (to repair or renew) will expire at the end of December 1898.

The Superintendent Engineer states that the order for the new main boiler has been accepted by Messrs. A. Dodman & Co. of Kings

Lynn, to which port the vessel will be sent to receive attention. He encloses a notice showing that the vessel will be stopped from about the 22nd instant till the 6th January.

*J.B.
21.12.98*

Submitted for approval provided the main boiler be examined or renewed when the vessel is stopped from the 22nd inst till the 6th January
