Let. to the
Capt. of the
Hull } 4/4

Lloyd's Register of British
and Foreign Shipping.
Bank Chambers, Hull.

1st April

1899

The Secretary
London

Sir

In reply to your letter of the 30th
March respecting the case of the Steamer
"Lizzie & Annie". I beg to state that owing to
the nature of the repairs executed some
time ago I am of the opinion that it will
be quite safe to permit the vessel to run
for the time requested say six weeks.

I am.

Sir.

Your obedient servant.

James Jones.
