Sir

We have yours of the 28th inst & in approaching Lloyds we think you
 and ask for sufficient extension to cover the time that will be occupied but
 very difficult for us at the moment to fix a date positively at the
 present state of the work, in fact we cannot do it, we shall lose nearly a week
 the Easter Holidays as we resume work again next Wednesday morning & we
 think you should ask for at least 6 or 6 weeks extension.
 I will be able to point out to them that the work has been delayed so much
 though being unable to obtain the plates from the mills which have been quite
 unobtainable

Yours faithfully

ALFRED DODMAN & Co. Limited
