Last Report, No. 35383 Port Hull

(Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.)

In damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined ✓

Society's Freeboard (if assigned) as painted on Ship and now verified ✓

Was a damage report made by anyone else? If so, by whom?

REPAIRS, OR EXAMINATION AS PER RULE, FOR

Alterations.

The engines have been taken out of this vessel & sent to the makers for overhaul. To enable the vessel to be used as a barge for being towed until the engines have been refitted, the following alterations have been made:— Screw shaft, stern bush, propeller & neck ring removed & efficient blank flanges fitted at both ends of stem tube.

Interim certificate issued.

General Observations, Opinion as to Class, Recommendation, &c.:—

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—"to remain as now classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 1.15," or "to remain as classed and to have record of survey, 1.15, and the notations of ss No. 1-15 and 1ND15, &c."

This vessel as far as now seen is in good and efficient condition, and eligible in my opinion to be temporarily classed -i-90 A1 Barge for being towed, without fresh record of survey.
