reference

Dear Mr. Sladden,

I have your letter of the 25th August relating to the M.V. "LIZZIE & ANNIE", and have delayed my reply owing to the Owner having been on holiday.

I have seen the Owner to-day, and he has no objection at all to the completion of a full L.M.C. Survey. But in order to put him to as little inconvenience as possible I have agreed to do the remainder as opportunity occurs. I trust that we shall be able to recommend the full record of L.M.C. without much delay.

With kindest regards,

Yours sincerely,

John H. Mackenzie
