REPORT

Gms.

No. 23251

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

*The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The class is subject to 30 fathoms of chain cable being supplied at the first opportunity.

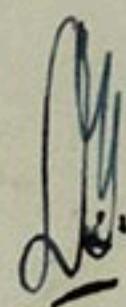

The GRIMSBY Surveyors report (8,48) ship examined in dry dock and bottom coated.

30 fathoms of chain cable, previously placed on board now examined and marks verified with certificates.

On account of wear and tear, a few repairs of a minor character effected.

IT IS SUBMITTED this ship is worthy to remain as classed with regard to docking 8,48, without special condition.

8,48 Gms. without.
