Dear Sirs,

m.v. "LIZZIE AND ANNIE"

We thank you for your letter of the 1st instant regarding special and screw shaft surveys of the above vessel. We have been in touch with the Drypool Engineering & Drydock Co. Ltd., to ascertain when they could conveniently arrange to take the above vessel into dry dock. At the moment they are somewhat committed but they hope to advise us later this week the earliest date they could arrange.

It is possible that the vessel may sail from our contract at Whitby to Hull during the coming week-end, so that it would be available for the survey early next week. We shall, however, confirm these arrangements as soon as we hear from the Docking Company.

Yours faithfully,

(Sgd.) A.E. Jones.
