Dear Sirs,

m.v. "Lizzie and Annie"

We thank you for your letter of the 31st ultimo with regard to the Special Survey on the above vessel.

We regret that due to the extremely adverse weather conditions which prevailed during the latter part of last year, the completion of the work at Whitby has been seriously delayed and at the moment we do not expect to complete the contract until some time in May.

We would say that the above vessel has been employed for very short periods recently, and has not been outside the limits of Whitby Harbour.

Yours faithfully,
The Yorkshire Hennebique Contracting Co. Ltd.
