Dear Sir,

We beg to acknowledge receipt of your letter dated 30th September and of a letter from the Middlesbrough office, a copy of which is enclosed for your information.

We have to confirm that we are satisfied that at the survey held here in October last the condition of the vessel was such that the Owners request for maintenance of class until early next year could be favourably considered, and that the examination of the screw shaft could also be deferred until then.

Yours faithfully,  
The Surveyors,
