eed

Postponement of completion of SS. until 9.60 approved
1.12.59 (G.E. Hull 10.59)

sal

The Owners state that the vessel is engaged on work within the
confines of Whitby Harbour which is now at a critical stage.
The contract has to be completed by December 1960 & they
are unable to release the vessel until early in the New Year.

tion

Postponement of the completion of the Special Survey until the
work in Whitby Harbour is completed, is desired. The year
of grace for completion of the Special Survey will expire at
the end of September 1960. The vessel is 83 years old,
& of iron construction.There are no technical objections to this
request provided the Uddb. Surveyors

concur - refer their reports Nos

65421 and 21914

FRIDAY 30 SEP 1960

Provided the Uddb. Surveyors confirm
that screw shaft examination may be deferred
(their Rpt 65421. Rfers) 26/9/60
