ts
need

This case is fully stated in statement dated 15.2.61. The Committee approved a further postponement of the Special Survey until 5.61 on 29th March.

al

The Hull Surveyors are informed by the Owners that due to continuing bad weather they have been prevented from completing their work in Whitby Harbour. Given good weather it is hoped to complete this work by the end of July when the vessel will be available for completion of the Special Survey.

Submitted Mdb. Surveyors be requested for their comments (Refer their Rpt. no. 22159).
