QUESTION

ANSWER

With reference to previous correspondence, I shall be glad to learn whether you can furnish me with any further information regarding this case.

Date:— 26th May, 1961.

We have today received a letter from the Owners stating that due to the continuing bad weather they have been prevented from completing their work in Whitby Harbour.

They further state that, given good weather, they hope to be able to complete their work by the end of July when the vessel would be made available for completion of the Special Survey.
