Dear Sirs,

Motorship 'Lizzie & Annie'

We have to advise you that we have sold the above vessel to The Earnbank Sand & Gravel Co. Ltd., 58, West Mill Street, Perth, Scotland, who we understand intend to take her up to Dundee or Perth, where they will operate her carrying sand and gravel in the estuary of the River Tay.

The vessel has now been taken over by the new owners as she lies in Whitby Harbour, and they will be making preparations during the course of this month for her passage to Scotland. No doubt you will be getting in touch with them in connection with the various formalities involved.

Yours faithfully,
