

COPY.

ENCLOSURES.

7th January, 1925.

Dear Mr. Lavers,

I am in receipt of your letter of yesterday's date regarding the freeboard report for the Sailing Vessel "LIZZIE AND ANNIE". As you are aware, this vessel was converted into a Motor Vessel in 1922 when the freeboards were assigned in accordance with Table A. In November last it was reported that the Motor had been temporarily removed for overhaul; the certificate was therefore withdrawn and a copy of the old certificate as a Sailing Vessel was issued on the basis of the original assignment. We did not therefore consider it necessary to forward a copy of the computation to you. A copy, however, is now enclosed.

It is anticipated that at an early date the Motor will be re-instated, when new certificates in accordance with Table A will be issued.

The copy of the original computation, forwarded with your letter is returned herewith.

With kind regards,

Yours faithfully,

E. Lavers, Esq.,
BOARD OF TRADE.
