31st October, 1924.

Dear Sirs,

It is observed from your survey report No. 35596, dated 28th instant, on the Motor Vessel "LIZZIE AND ANNIE" that the motor has been removed from the vessel for overhaul, and that the ship is to be employed temporarily as a barge for being towed.

In these circumstances it will be necessary to revert to the original freeboards which were assigned when the vessel was trading as a sailing ship, viz., 1'-4" to centre of disc, Fresh Water 2", and I shall be glad if you will arrange for the markings to be amended and forward the usual verification of marking form, with a view to the issue of fresh freeboard certificates.

The present freeboard certificates should be returned to this Office for cancellation.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

H U L L.
