23rd March, 1892.

Dear Sirs,

With reference to the classification in this Society's Register Book of your steamer "BAKUIN", I have to acquaint you that it appears from a report received from the Society's Surveyor at Hamburg, that the bottom of this vessel should be again examined by one of the Society's Surveyors in dry dock, and the patent cement in the tanks inspected at the first favourable opportunity, and I shall be glad if you will kindly give instructions for this to be done.

I am, Dear Sirs,

Yours faithfully,

Secretary.
