Received from Chief Surveyor _____

VESSEL'S NAME Im S.S. Bahuin Report Phl No. 684

The remarks of the Chief Surveyor are desired on this Case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. — Extract from Sub-Committee's Report 24/5/92.)

Nature of Survey Damage

This vessel is reported by the Philadelphia Surveyor to have sustained damage through stress of weather. A number of rivets have been replaced by tap rivets, and steering gear repaired.

The remaining damages, which are slight, are to be attended to at a home port.

It is submitted that action in the case be deferred pending the vessel's arrival at a home port. In the meantime,
