20th September, 1898.

Dear Sir,

I have to thank you for the Report received without advise but which it is concluded has been forwarded by you of the survey held on the boilers of the steamer "BAKUIN", and having placed the same before the Committee I have to say that they have assigned to the vessel a notation of B.S.4-98 (Boilers Surveyed) accordingly.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

James Russell Esq.,  
Chief Engineer,  
Pacific Steam Navigation Co.,  
CALLAO.
