

Philadelphia -

February 27. 1894.

This is to certify, that we, the undersigned
Surveyors, at the request of Capt. Moore
Master of the Steamship *Baker Standard*,
of London, 3708 Tons, Surveyed said vessel
for damage, alleged to have been caused
by grounding in the Schuylkill River, while
outward bound from this Port. For par-
ticulars we herewith a protest.

A careful examination of the
vessel, ~~and~~ far as practicable,
failing to show any indication of
damage, straining or leakage, it
was recommended, that she
proceed on her voyage, and
that she be placed in Dock,
for further examination, on
arrival at a home port.
