

7th December 1901.

Captain H. Tucker.
H.M.S. Baker Standard

Dear Sir.

I wish to notify you that the following parts
have now been examined and favourably
reported upon in connection with the Over-
sea Special Survey.

The outside plating of the hull with milder.
Stemshaft and all sea-cocks and valves
with exception of the sea valve in the fore
peak.

Yours faithfully
W. Paulsen.
