ANS<sup>d</sup>

July 29. 1902.

Sir

In reply to your classing  
letter of the 25<sup>th</sup> instant requesting  
to be informed whether the limit  
on the screw shaft of the S/s Baker  
Standard may now be removed I  
beg to state that at the time I  
examined this shaft I was not  
aware there was a limit on it as  
no record appeared either in the  
Limitation list or mark against  
the vessel in the Register Book.  
I may state however that as far  
as could be seen the shaft was in  
very good order.

I am Sir  
Your obedient servant  
J. E. Pindley  
Secretary  
London
