19th September 1903.

Gentlemen,

H. I have to acquaint you that the Owners of the steamer "BAKU STANDARD" state that the vessel is now at Christiania and will proceed from there to the Tyne.

Instructions have been given for the boiler survey to be carried out before the vessel again proceeds to sea and I have therefore to request that you will give the case the necessary attention in due course.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,  
Newcastle.
