

Received by Chief Ship Surveyor 28-3-14

Received from Chief Ship Surveyor _____

VESSEL'S NAME Steel S. S. Baku Standard Rpt. Ham No. 13950

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

GROUNDING.

This vessel is reported by the Hamburg Surveyors
to have been examined as far as practicable afloat, ~~and by a Diver~~, after
grounding, and so far as could be seen no damage appears to have been
sustained. ~~The Surveyor however recommends that~~ All Petroleum tanks
& tanks in way of engine & boiler spaces sounded & found dry; but
the tanks have not been examined internally.

~~It is submitted~~ The Surveyors recommends vessel to be
placed in dry dock for further examination at first suitable
opportunity.

It is submitted action be deferred; & The
Owners asked to state when & where it will be suitable
for the vessel to be dry docked for examination.
