RECEIVED JUL 17 1918  
LONDON

We are in receipt of your letter of yesterday dated  
under ref. "B" and in reply this steamer continues on Admiralty  
transport service under requisition. The has been brought by  
now to the TYN for stowage and painting for a monthly inspection  
for Admiralty officials and for the benefit of sundry damages  
and by H.M. Ship, so that you will appreciate the in value and  
our control.

We have today seen the Admiralty in compliance with your  
request, and they instruct us to inform you that in view of the  
agency of her service they cannot permit any further action  
hand on the above steamer other than that required by their own  
officials.

We are, dear Sir,  
Yours faithfully,  
For the Admiralty  
JUL 17 1918

Referred to the Chief Ship Surveyor  
and the Chief Engineer Surveyor.

to Mr. B. A. Hill to note.

Dear Sir,

Mercantile Fleet Auxiliary "BAKU STANDARD"

We are in receipt of your letter of yesterday's date under ref. "S" and in reply this Steamer continues on Admiralty Transport Service under requisition. She has been brought by them to the TYNE for cleaning and painting, for 6 monthly inspection by Admiralty Officials, and for the Repair of sundry damages done by H.M. Ships, so that you will appreciate she is quite out of our control.

We have today seen the Admiralty in compliance with your request, and they instruct us to inform you that owing to the urgency of her service they cannot permit any work being taken in hand on the above Steamer other than that required by their own officials.

We are, dear Sir,

Yours faithfully,

For the ASSOCIATED OIL CARRIERS LIMITED.
