PLATING to be DRILLED when vessel
is 24 years old, or at next special
survey thereafter.

ey due 2nd Special Survey No.2 due May, 1932.

Partly
osed to be held at Helsingfors.

The Committee recently agreed to a proposal to
commence the Special Survey at the vessel's discharging port
and complete the inspection at Mariehamn.

The Helsingfors Surveyor now cables asking that he
may be authorised to hold part of the Special Survey No.2.

It is submitted the Helsingfors Surveyor might be
authorised to carry out the part of the S.S.No.2 proposed
to be held.

Should the masts and spars be examined at this time
as part of the survey, he should be guided by the requirements
of Circular No.1530, with regard to the employment of a mast
examiner, and great care should be exercised in carrying out
this survey in view of the age of the vessel. A copy of
this circular, together with its enclosure, should be sent to
the Surveyor.
