Gentlemen,

s/v "PAMIR".

Your favour of 16th inst. received and noted.

I shall see to it that the rigging is lifted and  
everything put in order at Kotka during the time of  
loading.

This work could not be done at Belfast because  
I could not spare the time loading date being to close,  
and I hope the passage up Baltic will not cause the loss  
of her class with you.

Yours faithfully
