Dear Sir,

S.V. "PAMIR".

With reference to your favour of 30th ult. and my letter of 3rd inst. I can now inform you that I have decided to have the completion of the survey of above vessel carried out at Belfast at which place the vessel is now discharging.

However, according to my records the Rigging was surveyed here at Mariehamn in August/September last year which is confirmed by your Surveyor Mr. Tybeck of Helsingfors.

Consequently there should be only the examining of the ceiling and steelwork in way of the ballast to be done now at Belfast of which kindly inform your Surveyor at that place.

Yours faithfully,  
GUSTAF ERIKSON
