4th November, 1932.

Dear Sir,

With reference to the classification in the Society's Register Book of the Barque "PAMIR", I beg to acquaint you that the Committee recently had before them a report from the Copenhagen Surveyors on the advancement of the 2nd Special Survey No.2 which became due last May and was partly held at Helsingfors in August. The Surveyors stated that in view of the extended nature of the survey you desire it to be accepted as a 2nd Special Survey No.3, and I may say that this record could be assigned when the survey has been completed by the examination of the ceiling and steelwork in way of the ballast and the lifting and stripping of the standing rigging.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

Gustaf Erikson, Esq.,  
MARIEHAMN,  
Finland.
