

Port of HULL.

6th July, 19 37.

REPORT ON MASTS, SPARS, AND RIGGING.

Dear Sirs,

Having, in accordance with your instructions,
 examined the Masts, Spars, Iron Work of same, and Rigging, of the
 (Name of Vessel) Steel 4 Mast Bk. "PAMIR"
 on the (Date of examination) 1st July, 19 37,
 I have to report that I found Bowsprit. Bobstay pins taken out,
 examined and found in good condition. Shrouds (iron bar) rigging
 screws released, bolts and fittings examined and found in good condition.
Foremast. Fore stay (double) topmast stay(double) and top gallant
 stay(single) rigging screws released, bolts, pins and fittings
 removed, service and parcelling stripped off nips and bends, all
 examined and found in good condition. Shrouds, port and starboard,
 rigging screws released and bolts pins and fittings to screws
 removed, seizings removed from lower end of shrouds and service and
 parcelling stripped, rigging lifted and service and parcelling stripped
 from bends around mast. All examined and found in good condition.
