Cell DBord Ba feet; uE&B feet; f feet
total capacity tons. FPT tons; APT tons; MT feet tons.

Only alterations in the existing records of tanks should be inserted.

N.B.—All alterations in the existing records should be underlined.

Last Report, No. 3232 Port 66.

(Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules and items remaining to complete the Surveys should be summarised. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

In damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined

Society's Freeboard (if assigned) as painted on Ship and now verified shall be *ft. ins.*Was a damage report made by anyone else? if so, by whom? *to be drilled first*

Inner Bottom Plating	-			Stringers, Clamps & Shelves	-	Sails	"
Have the Tanks been examined internally?	-			Salting (State if examined.)	-		
Have the Tanks been tested?	-						

General Observations, Opinion as to Class, Recommendation, &c.:-

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—"to remain as classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 1,38," or "to remain as classed and to have record of survey, 1,38, and the notations of ss No. 1-38."

This vessel, so far as now seen, is in good and efficient condition and eligible in our opinion to remain as classed with fresh record of survey 3,43 (shell plating to be drilled first opportunity.)

Survey Fee (per Section 20) \$ 50.00

Special Damage or Repair Fee (if any) £

Travelling Expenses (if chargeable) \$ 7.00

Second Surveyor's Fee (if any) £
