Vessel's Name "PASSAT" & "PAMIR"

In reply to your letter of the 29th. ult. respecting the Saling Ships "PASSAT" and "PAMIR", we would advise that the conditions outlined in your letter of 12th December last, for issue of Certificates for these vessels to proceed in tow to the Continent for breaking up, were advised to the Owners' local agents, who in acknowledgement stated that they would advise us further should certificates be necessary.

No further request was, however, received and the vessels left this port without coming under our inspection.
