Re.: Renewal of Class  
Fourmasted Barque "PAMIR"

In January and June, 1955, you carried out the docking survey on the sailing ship "PAMIR". In June repairs to the rudder and propeller were supervised by you. On account of the good condition in which the hull and machinery were found by you at that time, we are instructed by the Owners, Landesbank und Girozentrale Schleswig-Holstein to request you to hold an examination of this vessel afloat, when she returns this November, with a view to granting an extension of the class until November, 1956.

Yours faithfully,

(Sgd.) Zerssen & Co.
