QUESTION

ANSWER

With reference to your memorandum of the 19th December, I shall be glad to learn whether you have any further information in this case.

Date:— 6th March, 1957

We are advised by the representative of the Owners that they wish the present condition to be retained (i.e. navigation lights, compass lights and the ship's emergency lighting connected to 220 Volt ships - installation) until the firms' financial position has improved when they intend to re-instate the previous arrangement.
