Re: s.s. "PAMIR" - Sea accident

For the purpose of the proceedings of the Admiralty Court regarding the ss "PAMIR" we request a confirmation that your Surveyor attended on about the 17th May 1957 on board the "PAMIR" and that no objections were made. The ship docked on the 17th May 1957 in dock 7 at the Blohm & Voss Yard. On the same day your Surveyor attended on board.

Yours faithfully,
