

Cunard Express Messers S.S. "LUSITANIA" & S.S. "MAURITANIA",
 building by Messrs John Brown & Co, Clydebank, and Messrs
 Swan, Hunter & Wigham Richardson, Wallsend on Tyne, respectively.

 EQUIPMENT.

Rule Dimensions; 757 x 87.5 x 62.

Equipment No. about 170,000.

The following equipment is proposed by the Builders
 at the Owner's request for the above vessels, viz:-

1 Bower Anchor (Stockless)				10 Tons.
1 " " "				10 "
1 " " "				8½ "
1 Kedge " (ex Stock)				2 "
Chain Cables		330 fathoms	3½" (stud link)	
Steel Wire Hawsers	2 at	90 "		8"
" " "	1 "	150 "		7"
" " "	2 "	120 "		3½"
" " "	2 "	120 "		3½"
Manilla Warp	2 "	90 "		10"
" "	10 "	120 "		8"
" "	2 "	120 "		6"

With a view to facilitate the handling of these vessels
 the Owners propose to dispense with a stream anchor and to have
 a kedge anchor weighing 2 tons as shown above.

It is submitted that the proposed equipment merits the
 favourable consideration of the Committee.
