14th September, 1904.

H Dear Sirs,

I beg to acknowledge the receipt of your letter of the 13th instant, respecting your steamer No. 735, and enclosing the particulars upon which the calculations of the bending moment of this vessel were made, for which I am very much obliged.

Note has also been taken of the parts of the structure in which you intend to adopt hydraulic riveting.

I am, Dear Sirs,

Yours faithfully,

Secretary.
