THE SECRETARY,

Messrs. LLOYDS REGISTRY,

71 Fenchurch Street,

LONDON. E.C.

Dear Sir,

CUNARD EXPRESS STEAMER No. 735.

Referring to your letter of the 24th inst., we note that you have approved of our proposal with reference to the triple rivetting of the side plating.

With regard to the stress per square inch of rivetted area, in the diagram which we sent you we had taken into account the difference of the frame spacing, that for the 1" rivetting being 28" and 1½" rivetting 32" spacing.

Yours faithfully,

For
SWAN, HUNTER, & WIGHAM RICHARDSON, LIMITED.
