Dear Sirs,

CUNARD EXPRESS STEAMER No. 735.

Referring to your letter of the 7th inst we
have decided to make the half diamond plates to the web frames
12/20ths thick as originally arranged, since you pointed out
that this connection will be practically equivalent to that
of the stringer face angle bars, through a line of rivet
holes.

Yours faithfully,

SWAN, HUNTER, & WIGHAM RICHARDSON, LTD.
