

Submitted that this letter dated 20 July 1906 from  
Mr. G. W. Penn. the Supt<sup>t</sup> of the Cardiff Proving House,  
together with its inclosure, should be forwarded to  
Mr. Peter Samson, the General Superintendent of Proving  
Houses, who should be requested to kindly say what  
course, in his opinion, should be adopted in  
order to comply with the Statutory requirements  
as regards the testing of these two swivel pieces  
for the Command Refuel Steamers "Mauritania".
